

Europe's most popular EAS accessories at the best possible price.

MiTag Optical Swing

Equipped with a Multipolar Lock, the Optical tag is a powerful tag with a swing arm for pricing stickers. The strong, yet small tag provides great detection and comes with an integrated locking system and is available in both AM and RF technology. Standard color of the tag is black. The Optical tag **can only be opened by the dedicated MiTag Detacher** and not with regular- or even hyper lock magnets bought online.
