

Europe's most popular EAS accessories at the best possible price.

## Premium Insertable Labels

Premium Insertable Label can be applied in a large variety of stores. Small sized and with great detection performance, the Insertable AM Label is designed to be inserted into plastic shrink wrapped packaging such as DVD cases, perfume boxes, Over the Counter Drugs, Cold & Flu Tablets or any high value Cellophane Sealed product. EAS Europe offers these labels in **dummy barcode**. All our AM labels have triple resonators ensuring superior detection and deactivation.

Our AM security labels are compatible with all AM detection systems and AM security label deactivators.
