

Europe's most popular EAS accessories at the best possible price.

MiTag 50

Equipped with a Multipolar Lock, the smallest tag in the Mitag Series is the 50 mm version. The strong, yet small tag has a minimal tagging footprint and comes including a dedicated pin and is available in both AM and RF technology. Standard color of the tag is black. The 50 mm tag **can only be opened by the dedicated MiTag Detacher** and not with regular- or even hyper lock tags bought online.
