

Europe's most popular EAS accessories at the best possible price.

Premium AM Labels

Premium AM Labels can be applied in a large variety of stores. Small sized and with great detection performance, these AM security labels are perfect for products such as cosmetics, perfume, packaged food, electronics, DIY, liquor and other small merchandize. EAS Europe offers these labels in **dummy barcode**, **plain** and **black**. All our AM labels have triple resonators ensuring superior detection and deactivation.

Our AM security labels are compatible with all AM detection systems and AM security label deactivators.
