

Europe's most popular EAS accessories at the best possible price.

MiTag All in One

Equipped with a Multipolar Lock, the All in One tag is one of a kind tag designed to be applied and releaser with one hand. The strong, yet small tag provides great detection and comes with an integrated pin and is available in both AM and RF technology. Standard color of the tag is black. The Pencil tag **can only be opened by the dedicated MiTag Detacher** and not with regular- or even hyper lock magnets bought online.
